- English
- Tamil
- Hindi

TECHNICAL SKILLS AND INTRESTS

Languages: JavaScript, HTML, CSS, Sass, Git

Libraries: React.js

Web Dev Tools: VSCode, GitHub, Yarn

Frameworks: Vite.js

Soft Skills: Problem Solving, Self-learning, Debugging, Adaptability

PROJECTS

Netflix – Clone

A responsive Netflix clone built with React, featuring seamless streaming and a dynamic UI.

- Developed a Netflix clone using ReactJS, simulating the functionality of a movie streaming platform. Focused on building interactive components for seamless navigation and user interaction.
- It features a responsive design, dynamic movie/TV show listings, and an intuitive user experience. Integrated with Firebase for authentication, and TMDb API for fetching content. Includes watchlists, search functionality, and smooth animations, providing a seamless streaming experience across devices.

Edusity Course Website

A responsive e-learning platform built with React for seamless education across all devices.

- A modern e-learning platform built using React, featuring a responsive web design for seamless accessibility across devices. The platform provides an intuitive dashboard, interactive video lessons, quizzes, and real-time progress tracking.
- It uses Material UI/Tailwind CSS for a sleek UI and Firebase for authentication and database management. Optimized for performance and accessibility, Edusity ensures a smooth learning experience on desktops, tablets, and mobile devices.

Food Delivery Platform

A responsive and interactive food delivery web app built with React.js for a seamless user experience.

- Designed with Material UI/Tailwind CSS, the platform offers a modern and user-friendly interface. It features a dynamic restaurant listing, an intuitive menu browsing experience, and a smooth cart management system.
- The frontend is optimized for performance and accessibility, ensuring a seamless experience across desktops, tablets, and mobile devices.

POSITIONS OF RESPONSIBILITIES

Class Representative(Universal college of Engineering)

- Initiative and Leadership, Time Management, Organizing Events, Problem Resolution, Monitoring.
- Collected over Rs. 100000 entry fees for different activities.

Project Coordinator(Engineering Project Team)

- Played a key role in coordinating project activities, including task assignments, progress tracking, and team communication.
- Demonstrated strong organizational skills by ensuring deadlines were met and project milestones were achieved.
- Collaborated effectively with team members to overcome challenges and deliver high-quality results.
- Received recognition for exceptional dedication and contribution to the success of the project.
